

# LEG 15 - 6.1 MILES - MODERATE

Ex 15 opens: 6:00 pm  
Run side: **LEFT, facing traffic**

No Cell Coverage

Safety equipment  
hours: 7pm to 7am

**Leg Description:** Very nice gentle stroll with beautiful scenery on your right for much of this leg. May seem flat, but Rd has a slight decline following the Rogue River. Great opportunity to see wildlife! We will be without the presence of van 2. Less traffic, more natural beauty!

**Surface:** Asphalt

**Driver Instructions:** Drivers should be able to relax a little for the next leg and a half. Less traffic and a nice wide Rd. Things will be changing soon enough. Support runners by pulling completely off the Rd on the right. This exchange is not the best. Please work with the volunteer to park off the road. Flashers on.
