

LEG 17 - 6.4 MILES - ANOTHER TOUGH MOTHER!

Ex 17 opens: 7:30 pm
Run side: **LEFT, facing traffic**

No Cell Coverage

Safety equipment
hours: 7pm to 7am

Leg Description: The climb continues for just over 2 more miles. Then this leg begins to roll, not gently. But it is dark and that is good, so you can't really tell how steep it is. Just suck it up and we promise your next leg will be easier.

Surface: Gravel

Van Instructions: Continue to be courteous and allow faster runners/support vans to pass. This may require the driver to pull the van over to the right and let the van supporting faster runners to pass. Support runner here by getting as far off the Rd as you can (on the right) without going into the ditch. It will be easier to support runners once the Rd levels out. Flashers on.
