

# VAN ROUTE - EXCH 12 TO EXCH 18

Van Leg from Community Baptist Church in Merlin to Glendale School

Here you can choose to stay up all night or go to the Glendale School for our exclusive wake up service. If partying all night consider that you will need to allow 1.5 hours to get from the Galice Resort (food for sale, live music and dancing) to exchange 18, you have to take the van route up I-5!

There is food for sale at the Glendale School provided by the Booster Club & we have an area set up for each team to sleep and be awakened when your runner passes exchange 16. This will give you plenty of time to make it to XC 18 and meet up with your team mates.

There is Cell coverage at the Glendale School, please use courtesy and only use the phone in the parking areas away from the designated sleep area. Showers are available for \$5 per shower.
